

Aphelia Student Connect

by Technuf LLC

One-stop solution for parents, students, teachers, and schools/institutions to ensure smooth enrollment to the programs and child safety through tracking and notification.

Easy Enrollment & Safe Payments Collection

- ✓ **Customizable forms** to meet specific needs;
- ✓ Client-specific brand elements (**flyers, logos**) for a personalized touch;
- ✓ Facilitate **waitlist** enrollment when programs reach maximum capacity;
- ✓ **Flexible payments** via multiple payment methods;
- ✓ **Recurring billing** cycles and automated payment collection;
- ✓ Detailed **transaction history & refund** capabilities.

Child Safety: Attendance Management

- ✓ Easy, intuitive **check-in and check-out system**;
- ✓ Enhanced security with **parent's electronic signatures** at pickup;
- ✓ **Pickup & absence requests** managed via parent web;
- ✓ **Daily attendance reports** available to administrators and parents.

Real-time Bus/Vehicle Tracking

- ✓ Monitor **school bus movement** and coordinate efficient pickups;
- ✓ Optimize route planning to **enhance safety** and **reduce travel time**;
- ✓ Real-time **pickup and drop-off alerts** to parents via SMS & parent web.

Integrated Secure Communication

- ✓ Broadcast **text messages** to parents/participants. Supports **one-on-one texting** as well.
- ✓ **Send/Schedule announcements** visible in the parent/ participant web immediately.
- ✓ Send **personalized emails** to parents.
- ✓ Contact list is **pre-populated** from registrations; **eliminates hassle** of importing contacts between platforms. Always in Sync.
